

ALPHA  
COURT DAY  
CENTRE  
Outdoor  
Programming

As of June 2 the “Stay At Home Order” should be lifted.

With this being said we have added some Outdoor Programming to our June programming calendar.

The programs we have added to the calendar include the following:

**Outdoor Walking**

**Gardening**

**Tai Chi**

We have implemented the following protocols to help keep those attending safe.

- *Masks need to be worn by all participants*
- *Pre registration is required by participants – limited spots available per program*
- *Covid screenings (by phone) will be conducted prior to attending the program*

***Please note – this is subject to change with Government regulations.***
